

## List of Research Data Management Training Opportunities

This document was compiled by the Research Data Canada's Education and Training Working Group

September 2013

These three tables contain a non-exhaustive list of training opportunities in the areas of research data management for data management for creators (or producers), stewards, and users.

If you would like to recommend resources to be added to this document, please send an email to Working Group chair, Martha Whitehead: [martha.whitehead@queensu.ca](mailto:martha.whitehead@queensu.ca)
